### Indian Removal Individual Assessment

1. Think about President Jackson's problem with the Indians. In your own words, summarize Jackson's problem.

President Jackson's problem with the Indians was that he forced them off the land. He said that they had to move west. If they didn't move fast enough he would kill them.

2. List the advantages and disadvantages of the removal of the Indians.

PROS: Benefits of Removal	CONS: Problems with Removal
<ul style="list-style-type: none"><li>• land</li><li>• money</li><li>• the Indians stuff</li></ul>	<ul style="list-style-type: none"><li>• they didn't want to move</li><li>• they might get killed</li><li>• didn't know any one in the west</li></ul>

3. What is your opinion on Indian Removal? If you were Andrew Jackson, would you support the removal of Indians from their lands?

No because the Indians were there first. Andrew Jackson shouldn't forced them to leave their land. The Indians didn't want to live in the west. They thought that they was going to be killed if they moved. They didn't know any body in the west.
