

Peer Evaluation for Palmer Raids Congressional Hearing

5 = Hard worker for our group. Came up with important ideas, found important information, made sure we were accurate.

4 = Almost always engaged. Came up with a few ideas, found some information. Could have worked harder.

3 = Usually engaged. Did some work, but often had to be prompted by others in the group.

2 = Not very engaged or interested. Group members had to check on them to make sure they were doing their part. Did not worry enough about accuracy and finding information.

1 = Distraction to the group. Often off task, kept out group of doing our best work.
