Dissent	
Obligation	
Representative	
Enforcing	
Special Interest Group	A group of people who come together because they share a common interest or goal. They work to influence decisions that affect their interest, like laws or policies. These groups can be focused on anything from protecting the environment to advocating for better healthcare.
Every Eligible Citizen	Every person who can legally vote in elections. They must be citizens of their country, usually be 18 years old, and meet any residency requirements. There are some limiting factors that could impact a person's ability to vote, such as currently being incarcerated, having a felony, or debt.
