## 2024 - 2025

During this election, you will be asked to vote on two key issues that impact you as a citizen. The first issue is that of H.R. 7521, or more commonly known as the Tik-Tok Ban. Voting to affirm this bill means that you support the ban, while voting to deny this bill means that you do not support the ban.

The second issue that you will be asked to vote on is a school board policy that includes \_\_\_\_\_. Voting to uphold the regulation means that the rules will stay the same, while voting to overturn the current regulation means the current rule will be thrown out and replaced.

Below is a sample ballot to help prepare you for your vote.

# Teacher Instructions

For this activity, students will be given different ballots based on the voting restrictions that can be placed on citizens by the government. The students will be given a ballot to vote on two ballot measures (See the Mail-In ballot page for further information). The voting restrictions and forms students need are as follows:

- Mail-in Voting - Form A, Mail-in Voting Insert
- Same-Day Voting - Form A, Same Day voting requirements
- Voter I.D. Law Requirement - Form B
- Foreign Language Ballot - Form D
- Image Only Ballot - Form E

After voting has taken place, use discussion questions in lesson narrative to help guide a class debrief.
